We have published our <u>2025/26 Business Plan</u> [<a href="https://contact.sra.org.uk/sra/corporate-strategy/business-plans/business-plan/business-plan-2025-2026/], which outlines our key priorities and areas of work for the year.

The business plan is set in the context of our wider <u>2023-2026 Corporate Strategy [https://contact.sra.org.uk/sra/corporate-strategy/]</u>, which outlines the strategic priorities for the SRA:

- 1. deliver high professional standards
- 2. strengthen our risk based and proactive regulation
- 3. support innovation and technology
- 4. be an authoritative and inclusive organisation, meeting the needs of the public, consumers, those we regulate and our staff.
